Missions Conference

The Time Is Now

Fredy Osorio and his family have been with us for over 7 years. He has been a faithful evangelist, discipler, and youth leader. He was one of our first Bible institute graduates, and now he serves as one of our professors. He is a close friend and counselor. After years of prayer and seeking God's direction, we came to the conclusion that the time was now. At our missions conference we announced we are sending him out as our first church planter. Pray if God would have you help and contact us!

Overabundantly

My good friend and supporting pastor Eli Pérez was recently with us to preach our mission's conference. The church was full every night as he challenged us to pray, give, and go. Sunday came quickly and our people turned in their faith promise cards. God overabundantly answered our prayers. Our church promised to give almost 4 times what we gave in 2019! We are excited to take on more missionaries!

I'm Ready

Elmer and his wife had been attending our church for around two years. She was already a believer, but Elmer was still searching. I felt led to encourage him and we got together and talked. I sat and listened as he told me his story about how he had searched with the Charismatics, Pentecostals, and even the Kingdom Hall, but he never had peace. Afterwards, we went through the Gospel and he looked at me and said, "Now I'm ready." God truly is a rewarder of those who seek Him!

Reaching the Mountains

Javier and Liliana are in charge of a small mission we have about an hour from the city deep into the mountains. They have really stepped things up and have started a kids club on Saturdays and grown the attendance on Sundays. After a recent service, they approached me and told me they had surrendered to full time ministry. They desire to turn the work into a church. Pray for them as we work towards this goal!
