Youth Camp

Youth Camp

Every year we have a youth camp between multiple sister churches. This year 4 were represented and we had over 40 kids attend. It is always a challenge to organize but as the years pass it gets easier each year. Praise the Lord for all of God's people that gave their time to make this year's camp another success. We made lots of memories together, God worked in hearts and lives, and the last day 4 young people trusted Jesus as their Savior. God always works at camp!

Construction Progress

We received additional donations to help us keep moving forward. We have now completely paid for the property, paid for and finished the demolition, paid for the architecture, engineering, and permits, and paid for and are scheduled to finish the excavation and foundations the 2nd week of February. If you haven't given, please prayerfully consider donating. We need you more than ever!

Another Graduate

Another Graduate

Pastor Fredy Osorio was one of our first graduates many years ago. He is now pastoring Christ is Lord Baptist Church and doing great! His wife Elizabeth was also a student of ours and studied when she could as she worked full time. She was able to dedicate more time to her studies after she resigned from her job to homeschool her 2 girls full time and be a pastor's wife. We recently celebrated her graduation over a delicious meal. We are so proud of her for sticking with it!

Serving One Another

My wife, Katie, has been able to help our sister church with their ladies ministry. God's work progresses when we serve one another. We have been pleased to see people being saved and baptized, joining the church, and the call to missions being faithfully proclaimed in each of our churches. Let's remember it's not about us. It's about growing God's kingdom and praising his name!
